

Dear Express SwimAmerica Families,

Welcome to Express SwimAmerica for the 2018-2019 season! We look forward to seeing everyone on Saturday, September 15th at **Rider University** for our first day of lessons.

Express SwimAmerica was notified just last week that The College of New Jersey encountered an “unexpected issue” while installing the new pool filter. As a result, their re-open date has been pushed back from September 10th to October 15th. Once notified, we began working diligently to secure pool time at another facility in the area, and we are very happy to report that Rider University has welcomed us, enabling our lessons to start on schedule!

We will be holding ALL SATURDAY Lessons at Rider University in the Maurer Center, Coppola Pool for the rest of 2018. www.rider.edu Once TCNJ reopens in mid-October, our Sunday Lessons will return to the TCNJ Aquatic Center in Packer Hall. www.tcnj.edu Please see calendars for exact dates and details.

The Express SwimAmerica lesson program has changed two-fold this fall.

First, all lessons for Levels 1-4 will be held in the pool at the same time (30 minute class), then a 10-Minute Break, followed by lessons for Levels 5-9 (40 minute class).

Second, you have the ultimate flexibility when it comes to attending and paying for lessons. Review your calendar of options and pick a plan that works best for your family.

EEX SwimAmerica will run from September 15th thru December 9th. During that time, we will be offering 12 Saturday evening lessons and 9 Sunday morning lessons. Your child may attend any lesson on any day / date we offer class, just make sure to check the time-slot for your swimmer’s Level.

Please note that ‘double’ or ‘back-to-back’ classes can no longer be accommodated with this schedule, as each Level will only be run once per day. Requests for make-ups will no longer be necessary, as you are committing to an overall number of lessons for the fall, not a certain day or class, so YOU get the final say in how to arrange your lesson schedule!
